Multidisciplinary Creative

**Check out my quick teaser trailer & learn a bit about me\* >>**

Obsessed with graphic design, video editing & Power Rangers I believe in filling life with moments of happiness & joy, I like to utilise creativity to try & bring these moments to life. With my industry experience, I have undertaken a variety of creative briefs, with companies including Disney, Warner Bros, Universal, Netflix, Prime Video, Sky, etc... I specialise in graphic design, campaign ideation, social media content creation, art direction & video editing, I also have experience working within other creative disciplines. Oh & I'm a bona fide nerd, which means I'm the meticulous & passionate creative your company needs. Feel free to get in touch, let's talk superheroes & a job.
